Illinois Beach Resort

Illinois Beach Resort is located on the shores of Lake Michigan and on the grounds of Illinois Beach Park, Zion, IL and will be held on March 7, 2009. This is a fitting place to have our banquet as the awards will have a back drop and a picturesque view of Lake Michigan. We will have the whole resort essentially to ourselves as this is the slow time of the year for the resort.

The resort offers hiking and biking trails for the outdoor enthusiasts. It has a complete health and fitness center and an indoor swimming pool. The banquet committee is working hard to

make this another success. Seating will be limited, so if you are planning on attending you should circle the date on the calendar. You really don't want to miss this year's banquet, it promises to be one of the best ever. After all, we've had years of practice to get good at it.

Directions

We have complete and interactive directions to the resort on our web site at:
